Q: What are the Plumbing Board expiration dates for completing PLUMBING CONTINUING EDUCATION?

Any license or endorsement holder who lives in a county having no city with a population in excess of 100,000, or resides out of state, or who submits written proof to the Board from a physician stating the medical reason that the licensee is unable to attend a CPE class, may fulfill the current year CPE requirements by completing a correspondence course approved by the Board. All others must fulfill the current year CPE requirements by completing a classroom course.

2011-2012 Continuing Professional Education courses begin July 1, 2011 and end June 30, 2012. Class size is limited to 45 students, therefore, please allow adequate time for scheduling. ***NOTE:** Licenses that expire between September 30, 2011 and August 31, 2012 should not take continuing education AFTER June 30, 2012. To assure that you take the correct course for your renewal, or for any other questions regarding your plumbing license, contact the Texas State Board of Plumbing Examiners at 800-845-6584.

RESPONSIBLE MASTER PLUMBER REQUIREMENTS (EFFECTIVE JAN 1, 2012)

A proposed rule for Responsible Master Plumbers was passed at the October 10 Plumbing Board Meeting. This rule would require the following: Before a Master Plumber acts as a Responsible Master Plumber, the Master Plumber must complete a Board-approved training program that will include laws and rules applicable to the operation of a plumbing business in this state, as required by Section 1301.3576 of the Plumbing License Law.

Contact PHCC after January 9, 2012 for information on 2012 Responsible Plumber Training Classes.

HVAC Continuing Education (Course # 7362)

The 8 Hour HVAC Cont Ed Course (for education year June 25, 2011 through June 25, 2012) covers the following topics:
Law & Rules, Uniform Mechanical Code (Administration), International Energy Conservation Code, Mini Splits, and Geothermal

BACKFLOW CERTIFICATION ★ THURS-SUN 8 AM-5 PM • MBR \$ 425 /NON-MBR \$ 525

★ **BACKFLOW RECERTIFICATION--FIRST 3 DAYS OF COURSE FULFILL BACKFLOW RECERTIFICATION REQUIREMENTS: MBR \$365 / NON-MBR \$460** ★

This 40-hour course offers Texas Commission of Environmental Quality (TCEQ) certification in Backflow Prevention, incorporating classroom learning with hands-on wet lab training along with expert instruction required for certification and testing of backflow assemblies in the state of Texas. Course topics include: History of backflow prevention; Testing and repair of assemblies (RPZA; DCVA; PVB; and SRVB); Cross connection control program with state and local ordinance information and all related subjects. Students will receive the newly revised 10th Edition of the USC Manual for Cross-Connection Control, as required by TCEQ.

This course provides the required 40-hour Texas Commission on Environmental Quality (TCEQ) approved course along with the TCEQ approved "hands-on" practical & written test administered at the conclusion of the course to be considered for licensure by TCEQ as a Backflow Prevention Assembly Tester (BPAT).

MEDICAL GAS ENDORSEMENT CERTIFICATION & RECERTIFICATION

MEDICAL GAS CERTIFICATION ★ FRI: 5-9 PM & SAT/SUN 8 AM-5 PM • MBR \$475/NON-MBR \$565

This course is a pre-requisite for testing by TSBPE. Inspector applicants may take this course for 100 hours credit towards their requirements for testing by TSBPE.

Designed for individuals interested in properly installing medical gas systems to 2012 Medical Gas and Vacuum Systems (formerly NFPA99c) code requirements. Students will learn the requirements for the installation of medical gas & Vacuum systems in health care facilities as well as dental offices. Students are required to successfully perform a vertical and horizontal braze on 1 1/2" copper pipe.

Review of basic operating procedures, performance, maintenance, troubleshooting, repair and 2012 Medical Gas and Vacuum Systems requirements of the following: Medical gas headers, manifolds, bulk systems, medical air compressors, instrument air, medical-surgical vacuum, waste anesthesia gas disposal, valves, outlet/inlets and alarms. Level I, II & III medical gas distribution systems will be reviewed as well as testing procedures and proper labeling and testing tools.

Course includes **BRAND NEW 2012** Medical Gas and Vacuum Systems Installation Handbook (formerly NFPA99c) and The Changes in Medical Gas and Vacuum Systems Requirements from 2005 to 2012 Editions valued at over \$595.00. Upon completion of the course, the student will schedule his/her medical gas licensing exam with the Texas State Board of Plumbing Examiners. **Friday 5PM-9PM, Saturday & Sunday 8AM-5PM**

MEDICAL GAS RE-CERTIFICATION ★ 3-5 PM • MBR \$230/NON-MBR \$255 (in alphabetical order by city)

Journeyman & Master Medical Gas Endorsement Continuing Education (Recertification) license endorsement renewal is every three years. This course includes the 2012 Medical Gas and Vacuum Systems Installation Handbook (formerly 2005 NFPA99c) with emphasis on changes made from previous publication. The class fulfills the two (2) hours of State mandated Continuing Education, for licensed Journeyman and Master plumbers renewing the Medical Gas endorsement on their license. The State requires that the most current edition of the Medical Gas and Vacuum Systems Installation Handbook (formerly 2005 NFPA99c) be utilized for this continuing education class. The 2012 edition is the most current edition available.

Course includes **BRAND NEW 2012** Medical Gas and Vacuum Systems Installation Handbook (formerly NFPA99c) and The Changes in Medical Gas and Vacuum Systems Requirements from 2005 to 2012 Editions valued at over \$295.00! **2 Hr Class typically held 3 pm-5 pm (after Plbg Cont Ed class).**
