"The Plumbing-Heating-Cooling Contractors Association is dedicated to the promotion, advancement, education and training of the industry for the protection of the environment, and the health, safety and comfort of society."

24th Annual Memorial PHCC-SA Fishing Tournament Rockport Texas! September 16, 2017

This annual event is once again a memorial tournament in honor of those from the local

PHCC organization & family that have passed before us this year and have had such an important role in the

*PHC industry in San Antonio of **PROTECTING THE HEALTH & SAFETY OF SOCIETY!***

A portion of the funds raised from this event have been designated to go towards the PHCC-SA chapter Plumbing Apprenticeship program to help with funding the program, scholarships & the annual apprenticeship contest! PHCC-SA is very excited to make this program a reality

in the Fall 2013 at St Philips College! To date the program has 15 apprentices successfully graduating the 4 year program.

PHCC-SA realizes that with giving back to others, we are receiving much more in return and helping to fill a great need of qualified, trained professional individuals to the PHC industry!

*The majority of the funds raised from this fundraiser are budgeted for the daily operations of this local independently managed PHCC nonprofit chapter. Some of the funds will be delegated to go towards the Plumbing Apprenticeship program and Trainings for the industry. **The profits are used & stay in San Antonio!***

THANK YOU for your continued support of PHCC and industry!

With your commitment, you can help us to

KEEP THIS CHAPTER SUCCESSFUL in our goals to train & educate the industry for the protection of the environment, & health, safety and comfort of society as

PHCC has done since 1883-

the oldest trade association in America!

The PHC industry has such an important role and obligation.

**We hope you can help with sponsorship support,
Participation in the event with family & employees,
And plan a great time in beautiful Rockport!**
