TOURNAMENT SPONSOR

MECHLER-BLASS ASSOCIATES

The PHCC Fishing tournament began as a company fishing event for Beyer Plumbing & Mechanical held at Woody's in Port Aransas in a tent out in the parking lot! Over the years, as the Beyer Boys continued to support the two local trade associations, the San Antonio Air Conditioning Contractors of America and the San Antonio chapter of the Plumbing, Heating, Cooling Contractors, this event eventually split to form two separate successful fishing tournaments for each Association today!

In 2021 the PHCC-SA Memorial tournament was renamed to recognize the many contributions to PHCC-SA chapter and the fishing tournaments' initial beginnings to honor Perry Beyer Jr. and his passing from cancer in November 2020. This tournament will continue to honor all members of our plumbing family who have passed on, and the legacy they made on the industry in San Antonio.

A portion of the funds raised from this event will go toward three important causes: the [Beyer Cares Foundation](#), the [Scott A. Freund Foundation](#), and [The June Project](#) – a foundation that rescues injured dogs and cats, gives them medical treatment and helps them find forever homes. The cause was near and dear to the heart of Alton Voigt, owner of Tackle Town. PHCC-SA wishes to donate a portion of the funds in memory of Alton and in recognition of all that Tackle Town has done for this event over the decades.

This year a portion of the funds will go to the PHCC-SA Building Fund, as well as the Plumbing Apprenticeship program to help with funding the program, scholarships & the annual apprenticeship contest! To date, the program has successfully graduated 78 through the 4-year program. PHCC-SA realizes we are helping to fill a great need in the PHC industry for quality, trained young professional individuals!

Most of the funds raised from this fundraiser are budgeted for the daily operations of this local independently managed PHCC nonprofit chapter.

The profits are used & stay in San Antonio!

THANK YOU for your continued support of PHCC and the industry! With your commitment, you can help us to **KEEP THIS CHAPTER SUCCESSFUL** in our goals to train & educate the industry for the protection of the environment, health, safety, and comfort of society as **PHCC has done since 1883 - the oldest trade association in America!** The PHC industry has such an important role and obligation.

We hope you can help with sponsorship support, participate in the event with family & employees, and plan to have a great time with your peers!
